CAPSULE

By Naji Mourani

Enjoy the Ride

The Capsule has a futuristic shape, yet it is Classic.

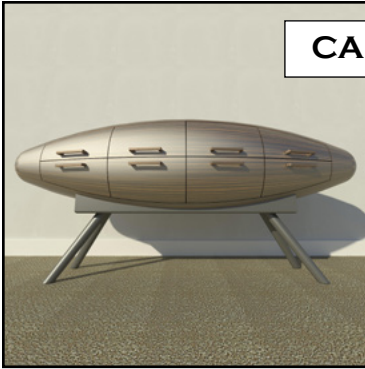

The Shape represents a space vehicle, a ride the human race is destined to make one day.

The Capsule shell is made with an exotic veneer and black interior with an all-black interior and exterior option.

The upper compartments are storage spaces, and the lower are drawers with soft and self-closing slides. The base and legs are solid wood with a matt lacquer finish.

Soaring Eagle

WINGS is like a soaring Eagle "Aquila."

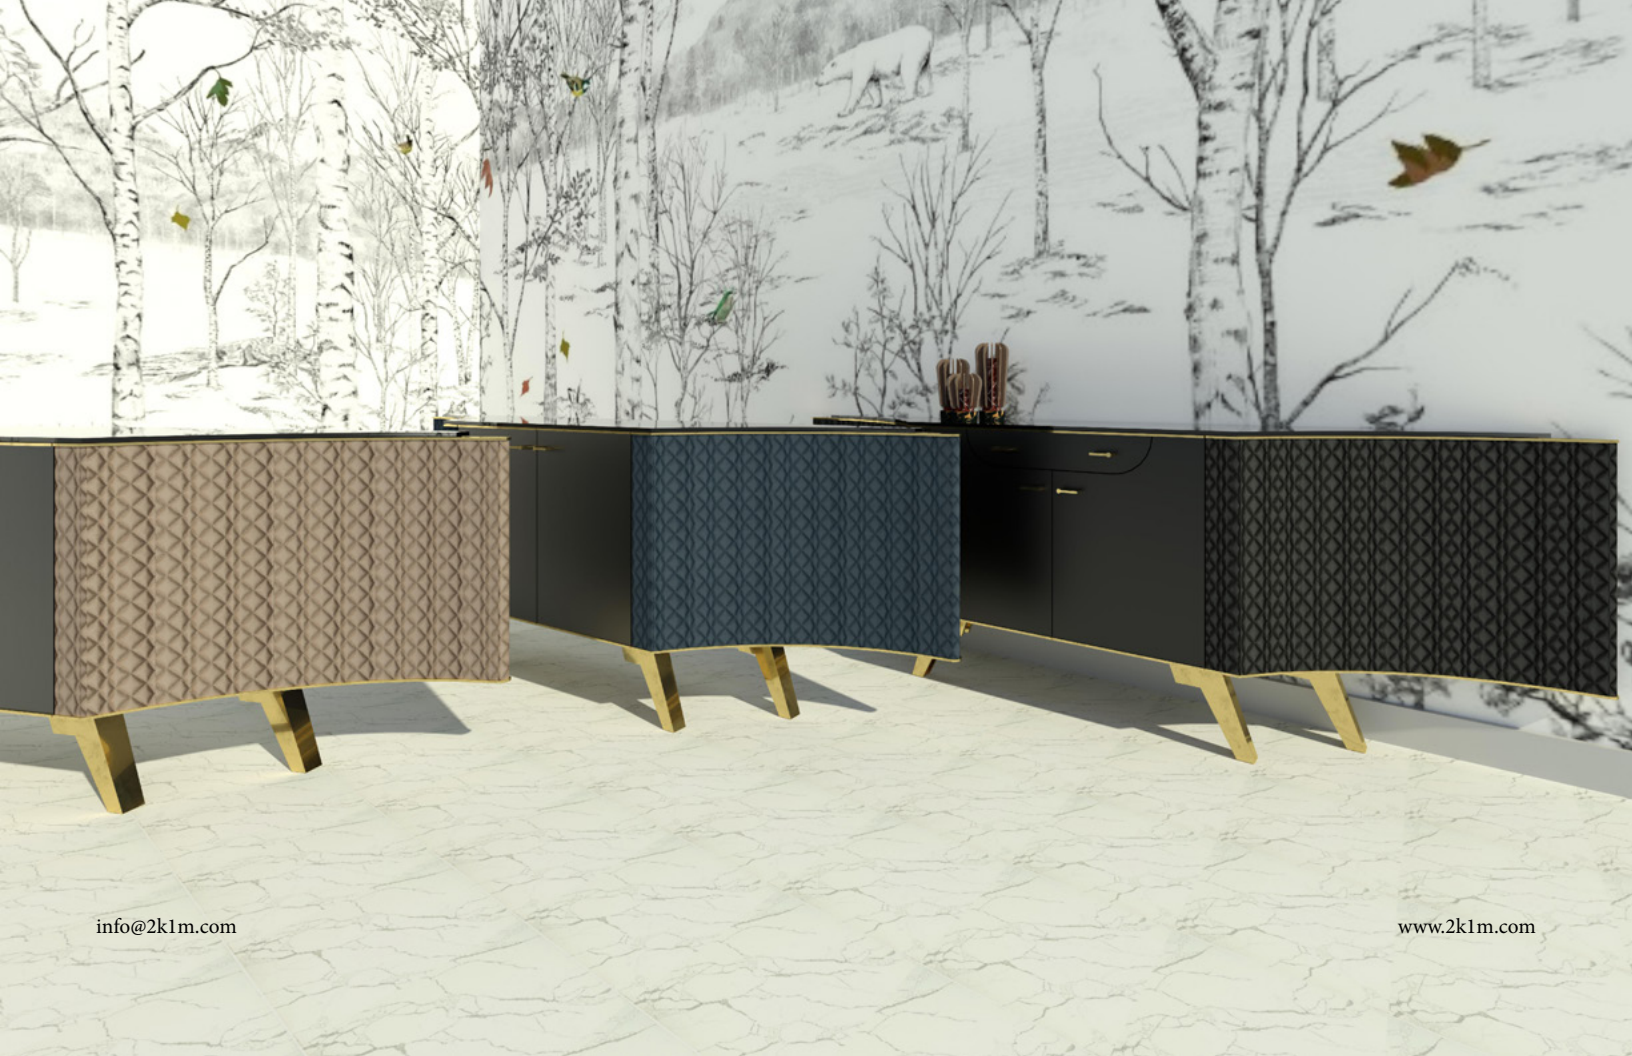

The outstretched upholstered wings represent the spread of the Roman Empire.

The quilted fabric wings curve gently toward the wall, giving the cabinet a camouflage feel and a sense that it is coming out of the wall.

The cabinet core comes in two options, a full cabinet or a cabinet with a drawer.

WINGS is one of a kind Credenza and a Showpiece. Homage to the Roman Empire and their 1000 Years reign.

About the Designer

Naji Mourani has been designing spaces since 1992 in the different sectors of Interior Architecture, and since then, he has been connecting people to elements and environments.

Since childhood, his love for designing furniture and products never faded, and he has focused on pursuing his dream since 2017.

Naji has a passion for fine details and is a perfectionist. The beauty of fine details always draws him, and he gets inspired by nature and his surroundings.

Naji says, “every day, nature and beauty surrounds us. A successful design must serve a specific function and blend and complement its environment. To create anything, we must look closely at nature, understand it, and replicate it”.

In addition to his passion for design, Naji enjoys photography, travel, oil painting, Scotch and Cigars.
